Rules and Guidelines for Application

1. If your data are not captured by the CMS system of the Hospital Authority, please complete the audit data entry sheet provided by the College. Cases with missing data in any of the essential fields may not be counted.
2. Applicants need not submit the colposcopy records, cytology and pathology reports to support their application. However, they may be asked to submit 5 or more of these records in a random check.
3. Specialist colposcopists practicing in HA units need to submit the first page of his/her Colposcopy Service Audit Report for each year generated from the CMS system to show the number of colposcopy examinations that he/she has performed.
4. Please submit the attendant certificates of revision courses attended with your application form
5. CME report sent to you by the College has recorded the number of CME points that you have obtained in relation to colposcopy. Please submit the photocopy of that page to support your application.
6. Should you have obtained any CME points related to colposcopy but is not registered in the College CME report, please send us the evidence that could support your claim together with this application form.
7. The cheque should be made payable to The Hong Kong College of Obstetricians and Gynaecologists
