P.T.O.

Supervised Experience

1. *For Basic Specialist Training, the minimum duration of training is four years. This is divided into eight periods, each of which must last for six continuous calendar months. Training periods of less than 6 months duration will require prior approval from the College.*
2. *For Higher Specialist Training, the minimum duration of training is two years. This may be divided into periods, each of which must be of at least 3 completed months duration. Periods of training of less than 3 months duration would require prior approval by the College.*
3. *Leave rule of HKCOG*

3.1 Vacation /study leave:

All study leaves need prior approval from the Education Committee

3.1.1 Basic training:

- *Exceed 40 calendar days in a 6-month training period need remedial training*
- *Short study leaves of up to 14 calendar days would not count as absence from work, unless the total study leave in the respective training period > 40 calendar days*

3.1.2 Higher training:

- *Exceed 20 calendar days in a 3-month training period need remedial training. Short study leaves of up to 14 calendar days would not count as absence from work, unless the total study leave in the respective training period > 20 calendar day*
- *Allowed once during higher training, to take 40 calendar days in a two consecutive 3-month training period. Short study leaves of up to 14 calendar days would not count as absence from work, unless the total study leave in the respective two consecutive 3-month training period > 40 calendar days*

3.2 Maternity or paternity leave/ sick leave/ special leave or absence from work for other reasons

- *Exceed 90 calendar days from the whole specialist training need remedial training*
- *Trainee need to inform the college within 3 months once the 90 calendar days allowance have been exceeded*

Double penalty will not apply to those violate both rule of 'Vacation / study leave' and rules of 'Maternity or paternity leave/ sick leave/ special leave or absence from work for other reasons.

* Reporting period should be on 6-monthly basis for basic training and 3-monthly basis for higher specialist training. If rotation between different training centres is involved, the reporting period can be adjusted accordingly.

√ Type of Training (letters of approval before and after training from HKCOG where appropriate.)

Basic may be:

- Obstetrics
- Gynaecology
- Elective
- Combined

Higher Specialist Training may be:

- Clinical training for general Obstetrics and Gynaecology
- Supervised research
- Training in subspecialty area
- Any other programmes approved by College.

B = basic training, H = higher specialist training

You may be required to provide documentation of the information given in this application form.
